## Description:

From Marsha M. Linehan--the developer of dialectical behavior therapy (DBT)--this comprehensive resource provides vital tools for implementing DBT skills training. The reproducible teaching notes, handouts, and worksheets used for over two decades by hundreds of thousands of practitioners have been significantly revised and expanded to reflect important research and clinical advances. The book gives complete instructions for orienting clients to DBT, plus teaching notes for the full range

of mindfulness, interpersonal effectiveness, emotion regulation, and distress tolerance skills. Handouts and worksheets are not included in the book; purchasers get access to a Web page where they can download and print all the handouts and worksheets discussed, as well as the teaching notes. The companion volume is available separately: *DBT® Skills Training Handouts and Worksheets, Second Edition*.
