**Description:**

Kendall Deaton pulls herself and her baby out of a wrecked car, and a mixture of courage and fear gets her to the top of a ravine, where she flags down help. But she doesn't dare reveal her true identity to the authorities. Instead, she plans her immediate escape. Her perilous flight begins. The best public defender in Prosper, South Carolina, Kendall had stumbled upon the town's chilling secret - and her marriage to one of the town's most powerful men has become a living hell. Now Kendall is a terrified mother trying to save her child's life...a reluctant witness who knows too much about an insidious evil...and a woman surrounded by forces that will stop at nothing to protect what is "theirs." "This page-turner is a must on any summer beach reading list and a testament to Brown's gifts as a talented storyteller." - USA Today
