** Sconto efficientamento logistico: 12 EUR/Tonn per ordini di almeno 3 pacchi per articolo a 6 metri, oppure almeno 2 pacchi per articolo a 12 metri, su una singola spedizione; lo sconto e' applicato direttamente al momento dell'ordine*

** Logistics efficiency discount: 12 EUR/Tn for orders of at least 3 bundles per item at 6 metres, or at least 2 bundles per item at 12 metres, on a single shipment; the discount is applied directly on the Order price.*

** Extra per certificato Melted and Poured: solo dove possibile a richiesta, costo da concordare commercialmente in funzione del volume ordinato.*

** Melted and Poured certificate extra: Only if faisable on request, cost to be commercially agreed based on the ordered volume.*

Il prezzo finale e' determinato dalla somma del prezzo base, sul quale viene applicato lo sconto commerciale concordato, e del relativo extra fisso non soggetto a sconto.

The final price is determined by the sum of the base price - to which the agreed commercial discount is applied - and the corresponding fixed extra, which is not subject to discount.
